**getting a girl whom you like.
She may in your school, college,
office - wherever.**

**Liking a girl and not really
KNOWING what to do is THE
most common problem that
young men (heck, even OLD
ones) face.**

**Make no mistake, guys THINK
they have SOME idea on how to
get girls.**

**Unbeknownst to them, they are
unknowingly following what**

STEP 2

2) Most guys - when they like a girl - smile at her every chance they get, they try to talk to her, or worse tell her friends or their OWN friends they like her. No. If you like a girl, IGNORE her. If you HAVE to talk to her as in you have a group project together, say ONLY that which is necessary, and that too in a curt business like tone - almost as if you are angry with her.

something ANYTHING that will set you apart from 99% of guys. Most guys are nobodys in school and college because they never worked on being somebody. You need to give her a REASON to like you. And being a NICE GUY is not a reason.

RESULTS

5) If you do all this correctly, you will notice she will start appearing around you. When a girl is interested in a guy, she usually won't straightaway go up to him and say Hi. She will start going to places he hangs out. She will walk past you, she will stand within a earshot with her back turned - basically she will put herself in your proximity - that is her way of making a move so that you
