**IF she TRIES to GUILT TRIP you with loaded statements like “Don’t you trust me?” ALWAYS reply with a CALM “No - I don’t trust ANYONE.” To which she will PROBABLY say “If we don’t have TRUST, we don’t have ANYTHING!” Again, you CALMLY respond “Then I guess we don’t have anything.” NO guy has EVER lost a girl by doing this. And in the off-chance she DOES**

**how do you tear your hymen  
bungee jumping or sky  
diving?**

**Gymnastics MAY lead to a  
hymen tear, but how many  
women are gymnasts? And if  
she CLAIMS to HAVE been a  
gymnast in the past, it is NOT  
YOUR PROBLEM.**

**NOTE: Stay AWAY from  
female athletes when it  
comes to LTRs**

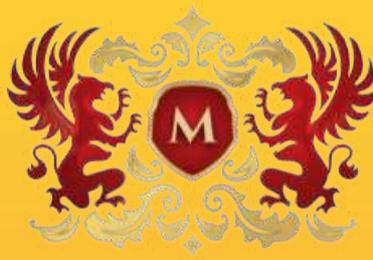

**Trust me when I say, your girl (with the help of her friends) had made an accurate assumption about your status, family wealth, property, your future prospects and MORE when she said YES to you. Women don't choose the man - they choose the LIFESTYLE the man can give. She didn't choose YOU - she chose the LIFE she thinks you can give her.**

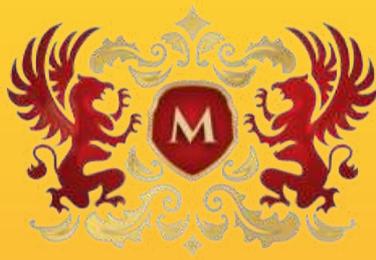

### **3. CONSTRICTING**

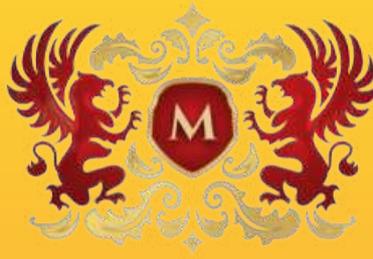

Another common trick girls are told to use by their female relatives and friends is to tighten her holes when the guy is **FIRST** trying to penetrate. This serves **TWO** purposes. One, the guys **FEELS** she is tight, so she **MIGHT** be a virgin. And two, penetration when the girl is willfully tightening her holes can cause tearing which leads to bleeding which

**But HOW does THAT relate to  
virginity?**

**Pr0stitutes in Islamic  
countries do not do vaginal  
s3x - they ONLY do oral and  
an@l. When asked WHY -  
they said so that they can be  
VIRGINS for when they get  
married! Imagine THAT!  
PR0STITUTES! After fcuking  
HUNDREDS, maybe  
THOUSANDS of men -  
ACTUALLY thinking they  
were VIRGINS - JUST because**

If you are thinking this is an **EXTREME** step - you would be **RIGHT**. But when it comes to critical things such as love, relationships and marriage, nothing is **TOO** extreme.

Polygraph tests are very popular in India - particularly in Mumbai and Southern India. It is better to suffer a few hours of the girl arguing with you about the test than to suffer for life if that girl manages to lie to you.

# BONUS!

In my inimitable style, I'm going to give you MORE than what you expect - something EXTRA - a **BONUS!**

A 15 minute ONE on ONE audio call with ME. And all you have to do, is get in touch with me and provide proof of purchase- so that I know you are actually the person who bought this copy of my book and not someone who skimmed it off someone else.

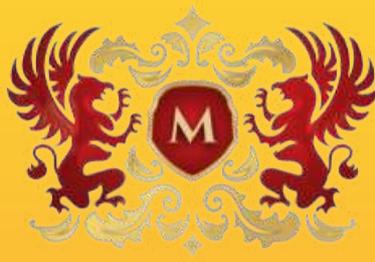

**The audio call will be over Zoom  
and will be held at a time  
mutually feasible to both of us.**

**So WHY am I giving away a  
consultation with me for which I  
can charge people?**

**Simple - I am TIRED of seeing  
men hopelessly - HILARIOUSLY -  
losing the dating game against  
women.**

**I want YOU to WIN!**

And if 15 minutes of my time can help a guy win - that is MORE than enough consideration for me for now.
